Report on 8th International Day of Yoga “Yoga for Humanity”

Date: 22/06/2022

International Yoga Day is celebrated every year on 21st June to raise awareness worldwide about the benefits of Yoga in daily life. It has become a global festival as there is widespread acceptance of the ancient Indian practice. Yoga is India's gift to humanity and it is a holistic approach to health and well-being, balancing mind, body and soul. It helps us to understand the purpose of life and how to survive in the changing environment. This year the 8th international yoga day was celebrated on the theme “**YOGA FOR HUMANITY**”.

Arihant School of Pharmacy & BRI takes this opportunity to celebrate this International festival with whole community of Gandhinagar together. As a part of it, our 180 students and 5 faculty members have participated gracefully in the event which was centrally organized at Dada Bhagvan Convention Centre, Trimandir, Adalaj, Gandhinagar. All the participated candidates have performed various asanas followed by Omkar chanting. After demonstration, they were asked to perform warm up exercises, sitting and standing asanas at their own places online. Simultaneously, detail procedures of practising daily yoga were explained to make them understandable about their importance in human life.

From college behalf, Mr. Nadim Chhipa has coordinated whole event successfully. By this event, they have spread a message to all of them practice daily yoga to remain fit and improve concentration. The motto of organising this event is to assure the students about regular practice of yoga help them to achieve a better life which is a blend of physically, mentally and spiritually as well.

At the end of this event, all the participants were provided refreshment.

REPORT

On

Science Day Celebration

Organized & Hosted by: Arihant School of Pharmacy & BRI, Adalaj

Date: 28-02-2022; 10:00 am to 3:00 pm

Arihant School of Pharmacy & Bio-Research Institute had organized Science Day celebration event on 28th February 2022 to propose a gratitude to all the dedicated and hardworking scientists. To celebrate this occasion, we have planned an event i.e. working model and poster presentation. With respect to the event scheduled, in the morning 10 to 11 am, Dr. Divyakant Patel has inaugurated the session with his motivational speech to strengthen the research activities and setup healthy research culture. He has also enlightened all about recent advancement in the field of pharmacy and technology. He has encouraged the students to come up with new ideas based on scientific technology. He has explained the importance of science day and how the scientific revolution changed the entire world, how some of the brilliant scientists changed the world by their extra ordinary discovery. He has also enlightened why this day is very notable in the field of Science and innovations.

Technical session was started from 11:30 am onwards. This was all about poster presentation and working model demonstration by which students could showcase their talents, innovative ideas, skill in to the session.

There were 10 working models/projects and 25 posters were presented in this event. Dr. Divyakant Patel, Dr. Sunita Chaudhary, Dr. Nisha Parikh and Dr. Aditi Bariya were served the role of judges for the event. To make these events live and joyful, students were arranged food

stalls in which huge variety of food menu available to all. Students and faculty member of the campus have visited the stalls and took a taste of delicious food items. Even students were happier by selling their food items and improving their marketing skill.

At the end, event, in- charge Principal, Dr. Divyakant patel has appreciated all the students and faculty members' efforts that they put into making this event successful.

Report of Online Parents Teacher Meet

Online Parents-Teachers meet was conducted for D.Pharm & M. Pharm. students for the academic year 2021-22 on 9th January, 2022. Detailed report of each of them was summarized as below:

Report of Online Parents Teacher Meet (D. Pharm year 1 & 2)

TOPIC: Parents Teacher Meet (D. Pharm year 1 & 2)

DATE: 9th January, 2022

TAKEN BY: Ms. Hiral Kikani, Assistant Professor, ASP & BRI

MODERATOR: Dr. Hiral Shah, Associate Professor, ASP & BRI

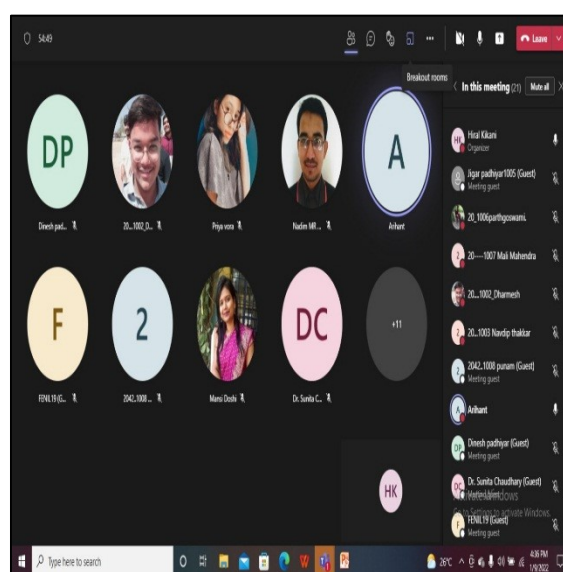

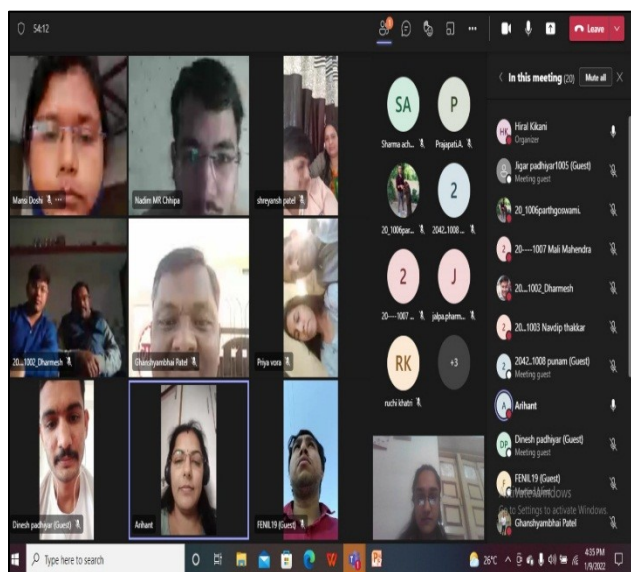

TIME: 04:00 to 5:00 pm

TOTAL PARTICIPANTS: 35 D. Pharm 1st and 2nd year-Parents/Students and Faculty

Objective of PTM: To create awareness amongst parents regarding their daughter/son's study performance, college education systems, student's evaluation system etc.

Description of PTM: This session was conducted in online mode via Microsoft teams app. Ms. Hiral Kikani had given detailed presentation regarding college vision mission, counselling system, attendance monitoring, exam schedule and result analysis of d. pharm year 2 students. She had given % attendance of both year students and informed parents regarding GTU norms regarding attendance in college. She explained about exam timing and exam patterns, with proper bifurcation of marks. She explained to parents regarding counselling system, mentor's roll and about student report card. She had shown class test 1 and 2 and mid semester 1 result of all subject of year 2 students to all parents. After completion of presentation parents had asked question regarding students' performance, their weakness, GTU examination pattern. All the questions of parents were very well answered by all present faculty members. One of the parent has highly appreciated the system of student counselling. The session was over with vote of thanks by Dr. Hiral and group photo.

Outcome of PTM: All Parents were nicely informed about students' performance and exam system.

Report of Online Parents Teacher Meet (M. Pharm 1st and 2nd Year)

TOPIC: Parents Teacher Meet (M. Pharm 1st Year and 2nd Year)

DATE: 9th January, 2022

CONDUCTED BY: Dr. Mona Kaushal, Associate Professor, ASP & BRI

MODERATOR: Dr. Nishith Patel

TIME: 4:00 to 5:00pm

TOTAL PARTICIPANTS: 37 M. Pharm 1st and 2nd Year-Parents/Students and Faculty

Objectives of PTM: To create awareness amongst parents regarding academic performance & attendance of their ward, college education systems, student's evaluation system, Start-ups and entrepreneurship development activities, research and placement related activities and future plans of the college.

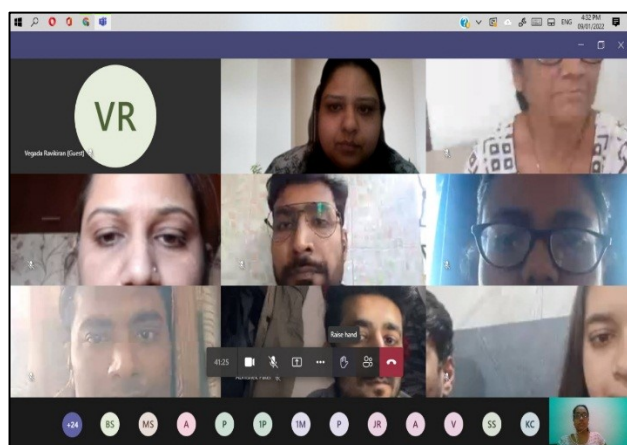

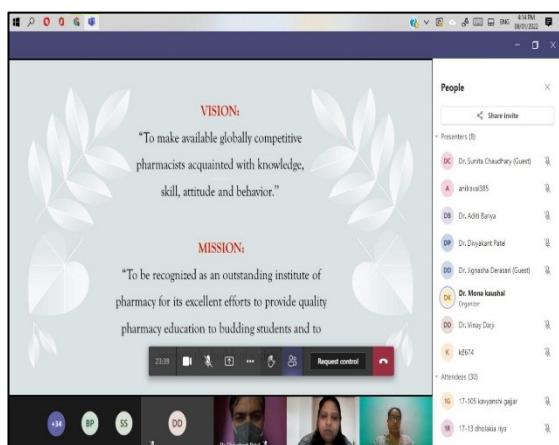

Description of PTM: This session was conducted in online mode via Microsoft team's app. Dr. Mona Kaushal, welcomes all parents, students and faculty members and started the session. She had given detailed presentation describing college vision mission, attendance monitoring, Academic & exam schedule and result analysis of sem 1 M.Pharm students of Quality Assurance, Pharmaceutics and Pharmacology departments. She had also presented % attendance of all students and informed parents about GTU norms regarding attendance in the college. Even she has informed the parents about less attendance action. She has explained about exam exam pattern of college and university. She had shown the result of all subjects to all parents, so that parents can understand about result evaluation system and their ward's academic performance. She has also narrated ongoing, completed and future extra-curricular and co-curricular activities conducted by college.

Start-ups and entrepreneurship development related information was delivered by Dr. Mona Kaushal. She has explained the role of mentors to encourage the students to participate in all these activities.

Dr. Mona Kausha has highlighted various placement activities. She has stressed on participation of students in campus drive. She has given information about future activities like pre-placement workshops and seminars to buildup soft-skills of the students.

After completion of presentation parents were invited to ask questions, if they have any. Question-answer session was very interactive and fruitful. Parents were appreciated all the efforts made by the faculty members. Session was ended by vote of Thanks which was proposed by Dr. Sunita Chaudhary, Professor, and Department of Pharmaceutics.

Outcome of PTM: All Parents were nicely informed about student's performance, exam system, research training, placement, and start-ups activities and answered all the queries of parents/students satisfactorily.

Online Parents-Teachers meet was conducted for B. Pharm sem-6 & 8 students for the academic year 2021-22 on 6th February, 2022. Detailed report of each of them was summarized as below:

ARIHANT SCHOOL OF PHARMACY & BRI

Organize

Report of online e Alumni Meet 2021: Chai pe Charcha 2.0

DATE: 21th June 2021

MODERATOR: Dr. Mona Kaushal, Mr. Jaymin Patel

TIME: 04:00 to 05:00 pm

TOTAL PARTICIPANTS: 75 alumni students of B.Pharm and M.Pharm

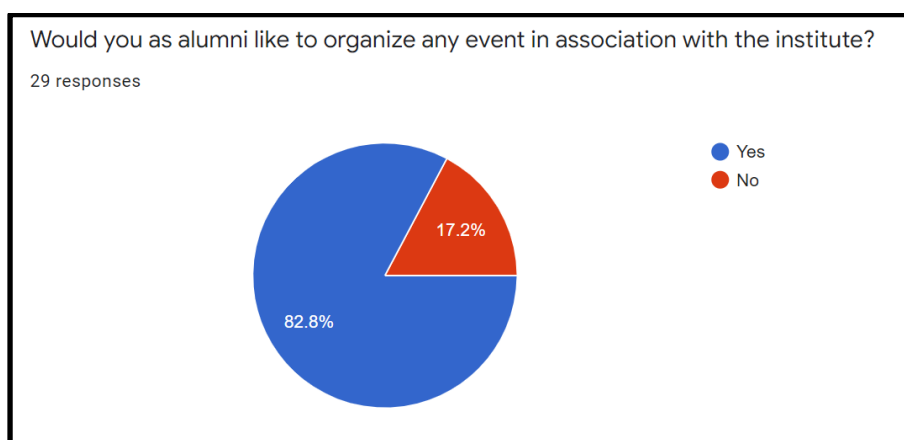

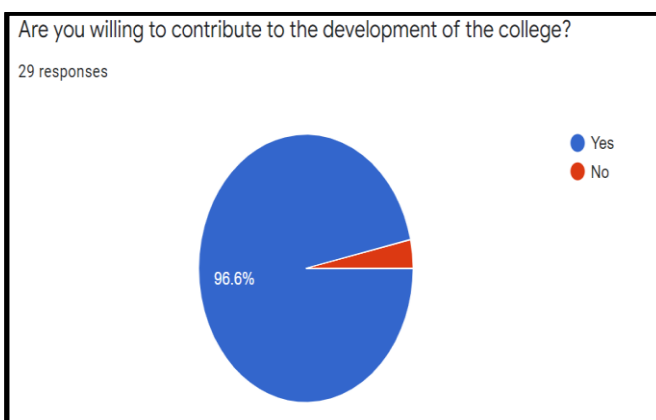

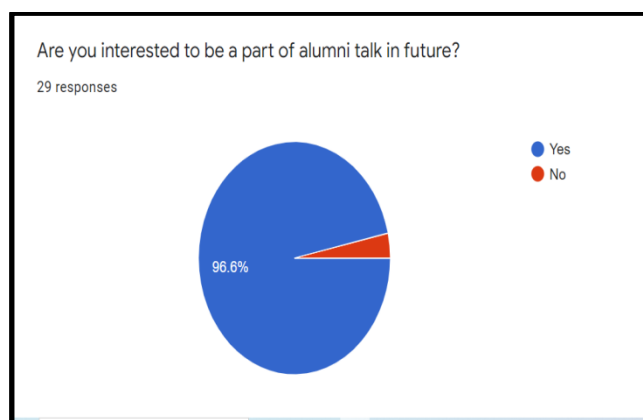

Objective of e-alumni meet: The objectives of the e- Alumni Meet 2021, was to provide a great opportunity to share and celebrate experiences, successes, to associate the alumni in the developmental activities of the institute and making ASPAS strong.

Description of e-alumni meet: The word Alumni itself means that once you are a part of your 'Alma Matter' then your roots are always connected to it, no matter where you are what you are. Therefore it is the time to relive the precious moments that once they have spent in this college, hence it was the opportunity for all Alumni to Reunite virtually and be a part of this e-event. The meet was started by "Arihant Anthem" sung by alumnus Ms. Reeta Joshi (2016-2020 batch). An introduction and agenda of meet was given by Dr. Mona Kaushal. In the meet appreciation was done of entrepreneurship journey of many alumni and they also shared their journey too. Mr. Deep Shah (batch 2009-2013) shared his journey after B.pharm. The alumni also shared video showing their golden memories in the institute. A song was sung also by Mr. Roshan Abhichandani (2015-2019 batch) and a short funny saying was done by Ms. Reeta Joshi. Lastly Dr. Divykant Patel gave college progress in different fields, gave an idea of NBA accreditation process started by college and asked for co-operation for it when required and also establishment of alumni trust. Many Alumni gave feedback from India, US and Canada. Ms. Miti Jha

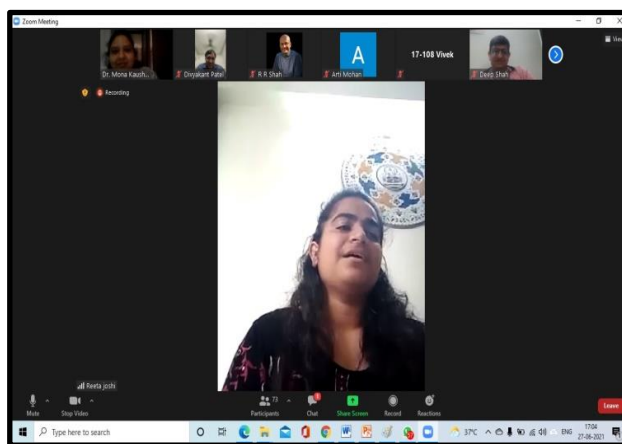

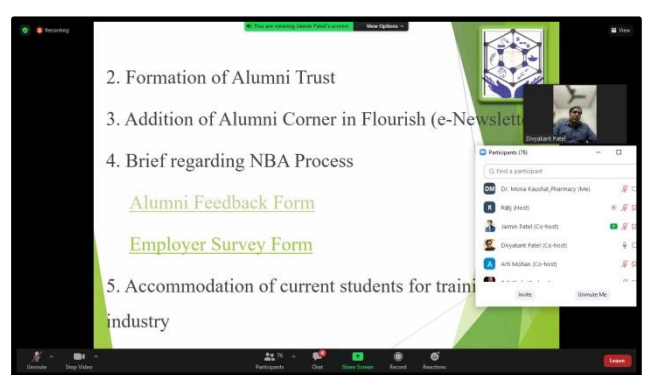

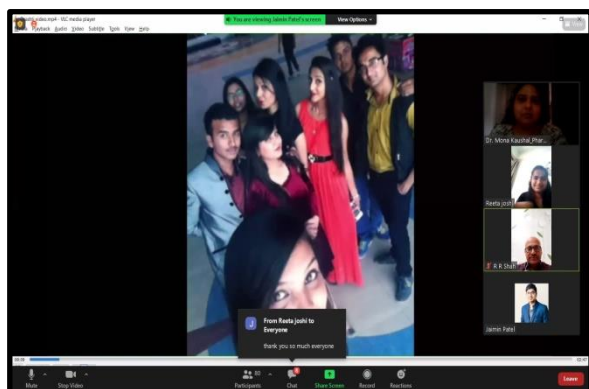

(Batch 2014 to 2018) and Mr. Nirav Patel (Batch 2012 to 2016) from Canada gave feedback and shared their views. Vote of thanks was given by Dr. Divykant Patel.

Outcome of e-alumni meet: e-Alumni meet strengthened ASPAS. Many alumni assured to co-ordinate and co-operate by sharing job opportunities and opening in pharmacy field to students of the institute.

Analysis of Feedback: Feedback of meet showed alumni were proud to be with the institute and approximately 96.6% of alumni were willing to contribute to development of institute. 96.6% alumni were interested to give guest lecture in future and 82.8% alumni like to organize any event in association with the institute. The event was successful, enjoyed by the all and interactive.

Report on 7th International Day of Yoga “Yoga at Home and Yoga for Family”

Date: 22/06/2021

International Yoga Day is celebrated every year on 21st June to raise awareness worldwide about the benefits of Yoga in daily life. Yoga brings balance between body, soul and mind. It helps us to understand the purpose of life and how to survive in the changing environment. Due to COVID-19 pandemic, this year the 7th international yoga day was celebrated on the theme **“YOGA AT HOME WITH FAMILY MEMBERS”**.

Arihant School of Pharmacy & BRI takes this opportunity and arranged online and offline event to celebrate International Yoga Day on the above mentioned theme. All the students and teachers of Arihant School of Pharmacy & BRI have taken part in the event with great joy and enthusiasm. More than 400 students of Pharmacy courses i.e. D.pharm, B.pharm and M.pharm were participated for this event. They were demonstrated various asanas followed by Omkar chanting. After demonstration, they were asked to perform warm up exercises, sitting and standing asanas at their own places online. Simultaneously, explanation was given about all these via online mode to make them understandable about their importance in human life. All the faculties also performed sitting and standing asanas, surya namaskar and pranayama at college garden. Dr. Nisha parikh and Dr. Sunita Chaudhary were coordinated this event successfully at college and directed all the offline and online attendees. By this event, they have spread a message to all of them practice daily yoga to remain fit and improve concentration.

The motto of organising this event is to assure the students about regular practice of yoga help them to achieve a better life which is a blend of physically, mentally and spiritually as well.

This event is graced by NCC cadets of DPS, JAMMU under the supervision of ANO Mrs. Ranjana Verma. They have also performed various Asanas. The program was conducted by Ministry of AYUSH on the theme” YOGA AT HOME YOGA WITH FAMILY.” Participated candidates were appreciated by E-certificate.
