Objective of Placement: A Placement fair is an event that gives students and employers a chance to meet one another, establish professional relationships, and discuss potential job and/or internship opportunities. Many employers from a variety of industries attend the placement fair and offer the job. The most unique thing about a career fair is that employers choose to attend these events in order to meet and recruit excellent candidates. Placement plays a major role in shaping up the career goals of students. It is the dream of every student to get placed in a top organization visiting their campus for recruitment.

Description of Placement: Sarswati Institute of Pharmaceutical Sciences, Dhanap organized Placement for final year B.Pharm and M.Pharm students. Our Institute also participated in to the same placement fair. Various companies as per above list came for the placement. Program was started with Introduction and felicitation of company representatives. An overview lecture on company profile had been delivered by placement coordinator. Total 30 students of our institute participated in placement fair. They were appeared in more than 50 interviews. After completion of program happiness on the face of students was observed. They are also looks like strive to work in their interested field. Company's representatives and representative from various institutes were felicitated by certificate at the end of event.

Outcome of Placement: Out of total 30 students who were participated, 07 students were shortlisted for further communication and second round of interview. Some of the students got multiple opportunities in different companies. 4 students were selected in GPSAR Healthcare Ltd with the CTC of 1.5 lacs per annum. 3 students were selected in Sushen Medicamentos Pvt. Ltd with the CTC of 2.5 lacs per annum. Companies offered a package of 1.5 lacs -2.5 lacs to selected/shortlisted students. It was a good experience for the students for facing interview.

Analysis of Feedback: Feedback of session showed that overall good and knowledge sharing session. 70 % students had given excellent response in overall experience of Pre-Placement workshop, and more than 30% students had given very good response. From overall session, students had learnt

about various soft skills and relevant information ensures that the students develop confidence and are ready to face the selection process.
