## ABOUT TRUST AND COLLEGE

Shri Gaya Prasad Jain Charitable Trust (Shri GPJC trust), formerly known as Arihant Seva Samiti is an internationally renowned and recognized management, imparting excellence in education in the field of Pharmacy, Engineering & Technology, Architect and Interior design, in Diploma, UG & PG programmes since 1994. The trust is dedicated to education and research with aim to deliver the best possible outcomes for the learners by providing the academic ambience

Pharmaceutics, Pharmaceutical Quality Assurance with intake of 15 in each, Pharmacology with 9 intake and Pharmacognosy with 12 intake of seats.

In Arihant campus, India's first and unique, Collaborative R and D center of EMCURE PHARMACEUTICALS LTD was established, where UG, PG and Ph.D. students of the institute get the opportunity of training with/ without stipend. In this campus we have come up with the unique concept of startup

in an invigorating campus.

Arihant School of Pharmacy & Bio-Research Institute is one of the growing pharmacy college managed under umbrella of Shri GPJC trust since 2005. The college is running D. Pharm course with 60 intake of students, B. Pharm with 100 intake of students and M. Pharm courses in

Idea lab and skill development center, which could be helpful to develop entrepreneurial skill by converting their ideas to implementation and concepts to commercialization.

## MESSAGE FROM ORGANIZATIONAL HIERARCHY

Arihant School of Pharmacy always appoint highly qualified and dynamic faculty which natures the student's in best possible manner and help them to imbibe advanced knowledge and skills in the field of Pharmacy and healthcare. We are proud of our achievements which we have given to professional education towards our faculty as well as our student's excellence. We always want to make education as a tool for candidate's betterment and to provide equal axis for making knowledge and higher education for students who are being part of Arihant. It is always our motive and vision to develop self-confidence and positive thoughts which help them to gain every success in their life later. Arihant is the place where you can fulfil your dream by enchasing your potential for successful career and encourage you to explore your Programme further and will always for you in any condition. On behalf, let it be my privilege to congratulate all Staff and student for publishing one more issue of Newsletter. It was great work done by all faculty and students even during Covid 19 pandemic and published yet another newsletter.

***Mr. Hiren Kadikar***

HOD, Department of  
Quality Assurance,  
ASP and BRI

## MESSAGE FROM EXPERT

It is a matter of great pride and pleasure for my close association with Arihant School of Pharmacy & BRI since long time. It is one of the leading institute promoting spirit of entrepreneurship and innovation amongst student and faculty. I have witnessed their commitment and continuous efforts of promoting young mind to venture for start up, research and innovation related projects.

I was instrumental facilitating them achieve their goal of institutionalising entrepreneurship in college. Under leadership of Chairman Shri. Jain sir and Dr. Ragin Shah, the whole team of faculty has initiated proactive approach in conducting varieties of programs for entrepreneurship development and start up. The outcome is evident in form of many students patented their innovative ideas and pursuing their start up.

One of its kind institutes where students are provided practical exposure through a latest technology advance Pharma lab at the campus. I will be very happy to continuously council and support college and students in reaching a unique achievement and position in field of pharma and related start up and entrepreneurship.

Wishing a good luck.

## GUEST LECTURE

**MRS. ROMA ASHISH VIRADIYA,**  
**Embryologist, MD Accupressure Trinity IVF**  
**Center, Complete women care, Surat**  
**DATE: 13<sup>th</sup> February 2021**  
**TOPIC: Menstruation hygiene and cervical**  
**cancer**

Total Participants: 120 students of D. Pharm, B.Pharm and M.Pharm

Mrs Roma Viradiya has nicely focused cervical cancer its to prevention, to limit the HAP exposure. She has also emphasised on menstrual hygiene and its maintenance to prevent this type of problems. Hygiene can be maintained by keeping yourself clean and comfortable during menstrual days, making sure you change tampons, liners, or pads every few hours, safe disposal of used pads, wash your self regularly, avoid soaps and vaginal product regularly. Maintaining personal period hygiene is the key to safe and peaceful menses.

explained various indexing of journal like web of science, Scopus and Google scholar. She also emphasised on various types of research grant available in Pharma field and its availing in different bodies with proper proposal which are suitable to the specific bodies. She explained in detail about how to apply research grant in Atomic plasma research center, Gandhinagar. She simply explained key point that need to take care while writing project proposals.

## GUEST LECTURE

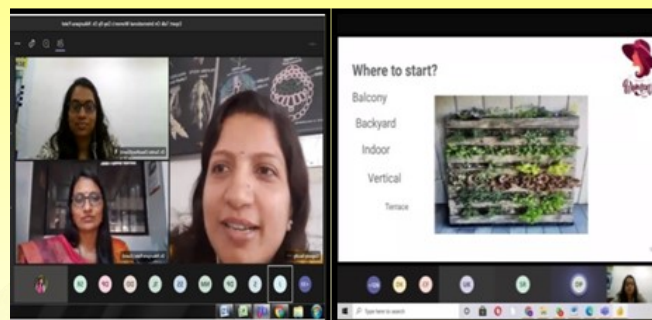

**Dr. Nikunjana Patel, Assistant Professor, SKPCPER, Ganapat University,**

**Date: 8<sup>th</sup> March 2021**

**Topic: "Kitchen garden: Green companion in your garden"**

Total Participants: 210 students of B.Pharm and M.Pharm

Dr. Nikunjana explained about kitchen

garden concept and we grow in our home & not for sale. Main advantages of kitchen garden is recycled your She highlighted how to start kitchen garden. From waste like tyres, bottles we can grow for cost effective effort. Mam nicely explained steps to start the kitchen garden. And require care of plant like watering, mulching, pruning and pesticides. She had highlighted about microgreens as innovations in gardening as nutrient supplement. They are between baby plants and sprouts.

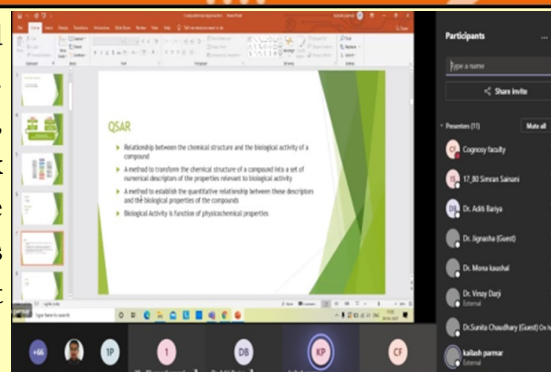

**Dr. Kailash Parmar, Director, PharmACE Laboratory**

**Date: 30<sup>th</sup> March 2021**

**Topic: "Computational approaches in drug design"**

Total Participants: 225 students of B.Pharm and M.Pharm

Dr. Parmar has highlighted various approaches in structure-based drug design include docking, de-novo design, fragment-based drug discovery and structure-based pharmacophore modeling. She discussed about Current trends in drug discovery focus on disease mechanisms and their understanding, followed by target identification and lead compound discovery. She also emphasise on the process of the design, discovery, and development of drugs are complex processes involving many different fields of knowledge and are considered a time-consuming and laborious inter-disciplinary work. She had given detailed about various steps for QSAR study.

## GUEST LECTURE

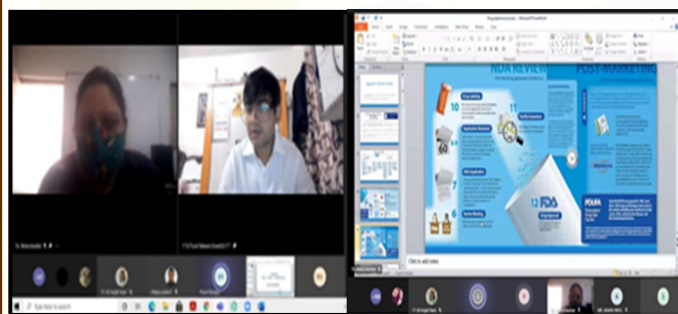

**MR SUNIL TEKWANI,**  
**Manager, Regulatory Affairs- Formulation,**  
**Emcure Pharmaceuticals Ltd.**

**DATE: 16<sup>th</sup> April 2021**

**TOPIC: Drug Approval Process**

Total Participants: 219 students of B.Pharm and M.Pharm

Mr. Tekwani has started session with need of drug approval process in industry. He highlighted various step by step breakdown of drug approval process including preclinical with different phases of clinical trials and NDA application. FDA approval process begins only after submission of investigational new drug (IND) application. The drug's safety profile and

pharmacokinetics of drug are focused in this phase. Phase II trials (2 years) are performed if the drug successfully passes phase I. He also highlighted that new drug application (NDA) can be filed only when the drug successfully passes all three phases of clinical trials and includes all animal and human data, data analyses, pharmacokinetics of drug and its manufacturing and proposed labelling.

**MR. AARTH PANDYA,**  
**Plant Manager, Nikol healthcare Pvt. Ltd.,**  
**Talod**

**DATE: 9<sup>th</sup> April 2021**

**TOPIC: C GMP and Industrial Management**

Total Participants: 219 students of B.Pharm and M.Pharm

Mr. Pandya has explained about principles of cGMP, its parts, requirement of plant & equipment. He thoroughly explained Industrial Management in Pharmaceutical industries and its important role in pharma industries. Mr. Aarth has highlighted Good manufacturing practices (GMP) are the practices required in order to conform to the guidelines recommended by agencies that

control the authorization and licensing of the manufacture and sale of food and beverages, cosmetics, and pharmaceutical products.

## GUEST LECTURE

**MR. NISARG BHAVSAR,**

**Head, QC, Fidelity Health Services**

**TOPIC:** Pharmacovigilance and medical information system

**DATE:** 12<sup>th</sup> June 2021

Total Participants: 159 students of B.Pharm and M.Pharm

Mr Bhavsar highlighted the concept of Pharmacovigilance, medical information system and its role in finding drug interaction with various examples of drug which used commonly like metformin. Provided aims of **pharmacovigilance** to improve patient care and safety in relation to the use of medicines and all medical and paramedical interventions. It improve public health & safety & detect problems in relation to the use of medicines and communicate the findings in a timely manner.

**ARIHANT eALUMNI Talk**

**Pharmacovigilance (PV) & Medical Information System**

Organized by: Alumni Cell

**Mr. Nisarg Bhavsar**  
Head-Quality assurance  
Fidelity Health Services

**PHARMACO-VIGILANCE (PV) & MEDICAL INFORMATION SYSTEM (MIS)**

**CONTENTS OF TODAY'S DISCUSSION**

- 1. Pharmacovigilance & its journey
- 2. Role of PV
- 3. Sources of CDRs & its processing
- 4. Medical Information System & its challenges
- 5. Drug & their role in MIS
- 6. CONCLUSION

# ALUMNI CORNER

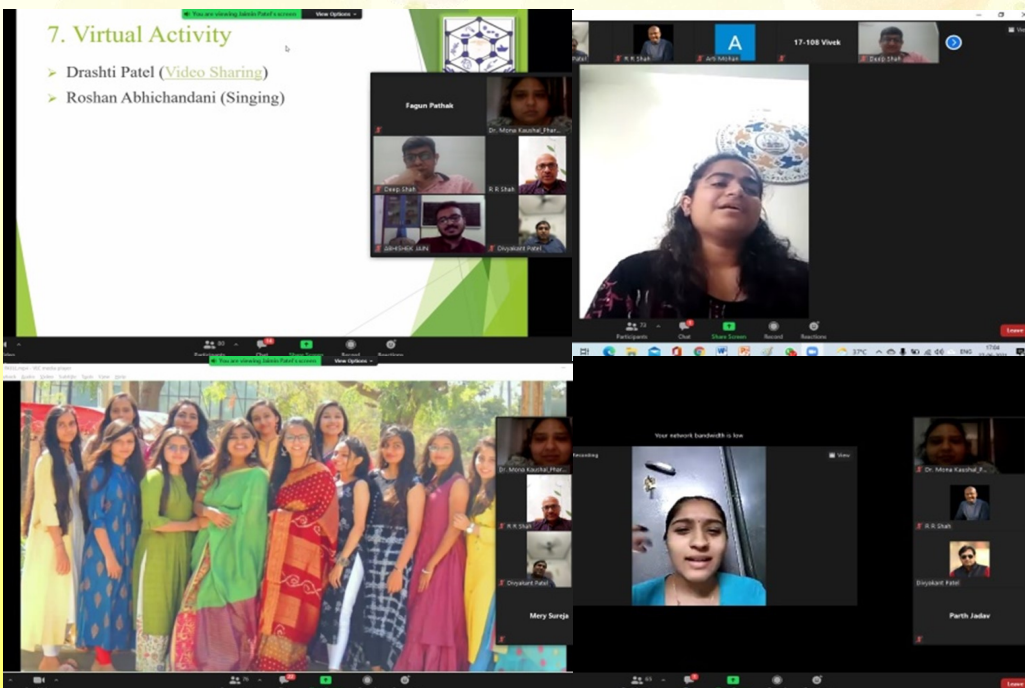

## Alumni Meet

**Date: 27<sup>th</sup> June 2021**

Total Participants: 100 pass out participants

Alumni cell of Arihant School of pharmacy and BRI organised Alumni meet to re-connect to their alumni for numerous reasons and occasions. Meet was aimed to associate the alumni in the developmental activities of the institute, re-cherish the old golden days of college life. Event contains appreciation for entrepreneurship journey of alumni, Video sharing from students for their golden memory and establishment of trust of alumni for helping the needy. Many students have participated in activity like singing, poem recitation and shayri. Feedback of students from various countries like Canada, and US were also taken. Students were selected as distinguished alumni for their extraordinary achievement. All have enjoyed well in evening event.

**અરિહંત સ્કુલ ઓફ ફાર્મસી દ્વારા ઇ-એલ્યુમની મીટ ૨૦૨૧નું આયોજન**

ગાંધીનગર, સોમવાર અરિહંત સ્કુલ ઓફ ફાર્મસી અને બાયો રિસર્ચ ઇન્સ્ટીટ્યુટ દ્વારા તાજેતરમાં ઇ-એલ્યુમની મીટ - ૨૦૨૧ ચાય પે ચર્ચા આયોજન કરવામાં આવ્યું હતું. કોરોના મહામારીને ધ્યાને રાખીને યોજાયેલા ઓનલાઇન કાર્યક્રમમાં સમગ્ર દેશમાં અને વિદેશમાં વસતાં કોલેજના ભુતપુર્વ વિદ્યાર્થીઓએ ચર્ચા કરી હતી. ઉપરાંત ભુતપુર્વ વિદ્યાર્થીઓએ વિચારો વ્યક્ત કરીને સેમ-૭ સ્ટુડન્ટ પ્રેક્ટિસ સ્કુલ સબજેક્ટ માટે વિદ્યાર્થીઓને તાલીમ માટે મદદરૂપ થઈ શકવા અંગે અભિપ્રાયો આપ્યા હતાં. આ મીટમાં સંસ્થાના ભુતપુર્વ વિદ્યાર્થીઓએ ઉત્સાહભરે ભાગ લીધો હતો.

## ALUMNI AS BUDDING ENTERPREUNER

### MS. REETA JOSHI,

Director and Founder,

Rewell pharma

Etd. in 2020.

My first and main product which I specially formulated for obesity and blood sugar control.

This formula specially use for weight loss process helps to burn fat and also use in control blood sugar level (increase sensitivity of insulin) so it is also use for diabetes with unique taste. In very short of time our proudct has covered the whole kutchh and than covered mega city of Gujarat's and out of Gujarat reached to Delhi, Maharashtra and punjab. And by the blessing of god we start to sell in UAE and very soon we also start sell in South Africa also.

### MR. JAGDISH PATEL

Director

Qualimed Pharma

I have developed Q-TONS Throat Spray which is is simple, easy use & advance medical device.

Fastest, most effective and convenient

way to get rapid releases of the drug in Intra oral cavity.

Highly attractive for paediatrics, adults and geriatric patients of all ages who need Frequent or immediate medical intervention.

The design of Q-TONS sprays came out with a purpose to improve patient's compliance.

## અરિહંત સ્કૂલ ઓફ ફાર્મસી દ્વારા રંગોળી સ્પર્ધા યોજાઈ

ગોધનર, તા. ૧૨ : અરિહંત સ્કૂલ ઓફ ફાર્મસી એન્ડ બી.આર.આઈ ના નાણાંપત્રી અને આમકારી વિભાગને વિશ્વવિદ્યાલયના ઉત્સાહ અને સહયોગથી આયોજીત રંગોળી સ્પર્ધા યોજાઈ હતી. આ સ્પર્ધામાં અરિહંત સ્કૂલ ઓફ ફાર્મસીના વિદ્યાર્થી-વિદ્યાર્થીનીઓએ ઉત્સાહપૂર્વક ભાગ લીધો હતો. આ સ્પર્ધાનું સંચાલન પ્રો. જીગ્નશ દેસાસરી તથા ઘનશ્યામ પટેલ દ્વારા કરવામાં આવ્યું હતું. આ પ્રસંગે મુખ્યને બે ભાગમાં રમ્યું હતું. આ કાર્યક્રમની પુરતીમાં કોલેજના વિનિયમ ડો. રામિન શાહ તથા વર્ણ સેનિયર પટેલ તથા કુમારી માનસી દેસી દ્વારા કરાયું હતું. આ પ્રસંગે મુખ્યને બે ભાગમાં રમ્યું હતું.

## વિદ્યાર્થીઓએ તેમના નવા વિચારોથી સફળ પ્રોડક્ટ બનાવવાના પ્રયાસો શરૂ કરવા જાહેર

અરિહંત સ્કૂલ ઓફ ફાર્મસીએ આંતરરાષ્ટ્રીય ડેવલપમેન્ટ પ્રોગ્રામ યોજાઈ હતી. આ કાર્યક્રમમાં વિદ્યાર્થીઓએ તેમના નવા વિચારોથી સફળ પ્રોડક્ટ બનાવવાના પ્રયાસો શરૂ કરવા જાહેર કર્યા છે. આ કાર્યક્રમમાં વિદ્યાર્થીઓએ તેમના નવા વિચારોથી સફળ પ્રોડક્ટ બનાવવાના પ્રયાસો શરૂ કરવા જાહેર કર્યા છે.

## અરિહંત સ્કૂલ ઓફ ફાર્મસી એન્ડ બી.આર.આઈ દ્વારા યોજાઈ રહેલી વિશ્વ યોગ દિવસ તરીકે ઉજવવા વિશ્વના દેશોને પ્રેરિત કર્યા છે.

હાલની કોવિડ-૧૯ની પરિસ્થિતિને ધ્યાને લેતા યોગ દિવસની ઉજવણી કરવામાં આવ્યું હતું.

'યોગ કરીશું, કોરોનાને હરાવીશું' અભિયાન અંતર્ગત અરિહંત સ્કૂલ ઓફ ફાર્મસી એન્ડ બી.આર.આઈ દ્વારા યોગ અભ્યાસનું આયોજન કરવામાં આવ્યું હતું. તે અંતર્ગત કોલેજના ૫૦ થી વધુ અધ્યાપકોએ સુસ્થ વ્યાયામ, આસનો અને પ્રાણાયામો કરેલ હતા. અને વિદ્યાર્થી મટે પણ વચ્ચે યોગ અભ્યાસનું આયોજન કરાયું હતું. તેમાં ૨૫૦ જેટલા વિદ્યાર્થીઓએ ઉત્સાહ પૂર્વક ભાગ લીધો હતો. આ અભિયાન દરમિયાન પ્રાણાયામો અને અભ્યાસનું મહત્વ અને રોજિંદા જીવનમાં વિવિધ પ્રકારના અને કોરોનાની મહામારી સામે લડવા માટેના યોગ અભ્યાસનું આ કાર્યક્રમના સંચાલક ડૉ.નિશા પરિખ અને ડૉ. સુનિલકુમાર દ્વારા કરાયું હતું.

અમદાવાદ

## અરિહંત કોલેજ દ્વારા ઓનલાઇન અને ઓફલાઇન યોગ દિવસ

## બાયો રિસર્ચ ઇન્સ્ટિટ્યુટ અને અરિહંત સ્કૂલ દ્વારા ઇ-એલબનાઈ મીટ યોજાઈ

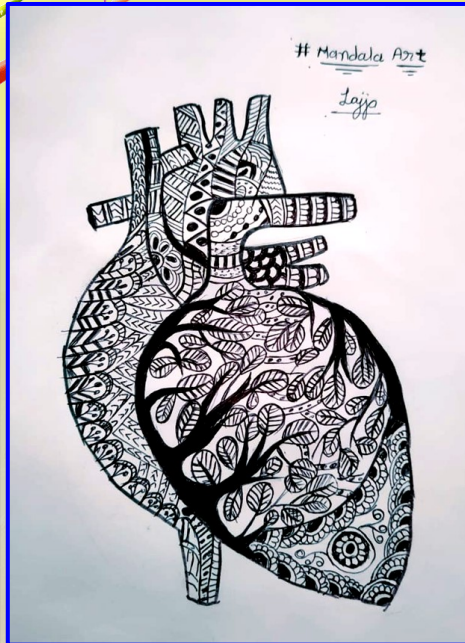

અમદાવાદ : અરિહંત ફાર્મસી કોલેજના ભૂતપૂર્વ વિદ્યાર્થીઓએ મળીને ઇ-એલબનાઈ મીટનું આયોજન કર્યું. જેમાં દેશ-વિદેશમાં વસેલા ૭૦થી વધારે ભૂતપૂર્વ વિદ્યાર્થીઓ જોડાયા હતા. જેમણે બી.ફાર્મના અંતિમ સેમેસ્ટરમાં અભ્યાસ કરતા વિદ્યાર્થીઓને પ્રેક્ટિકલ જ્ઞાન મળી રહે તે માટે ઇ-ટેન્શિપ આપવા અંગેની ચર્ચા કરી હતી. ઉપરાંત વિદ્યાર્થીઓને સોફ્ટ સ્કીલ ડેવલપમેન્ટ માટેના વિવિધ રિસર્ચના ટોપિક આપીને તેમના કાર્યમું પ્રેરણા આપી શકાય તે અંગેની ટ્રેનિંગ આપવાની સલાહ આપી હતી. તેની સાથે એલબનાઈ વિદ્યાર્થીઓ સાથે ચર્ચા કરીને ફાર્મસીમાં ક્યુરર અને હાલની પરિસ્થિતિ વિશેની વિગતવાર વાત કરી શકાય તેવું એલબનાઈ કોર્નર બનાવવા અંગેની પણ ભલામણ કરી હતી.

DREAMS जितने बड़े होंगे...  
रास्ते उतने पतले होंगे...

PROBLEMS थोड़ी ज्यादा होगी...  
रास्ते उतनी छोटी होगी...

जितने लोग कम होंगे,  
उतने ज्यादा तुम STRONG होंगे...

DUNIYA दूर होगी...  
माँ बाप पास होंगे...

MEHNAT अकेले तुम्हे ही करनी है...  
एक दिन STAGE पर अकेले भी तुम होंगे...

बस धैर्य रखना दोस्त...  
LATE मिलेगा...  
पर लाजवाब मिलेगा ॥

તકલીફો દોડી આવે  
એ ભાળી  
જ્યારે આપડા જોડેથી  
થાય બધુ ખાલી  
હવે કેમની પડે  
એક હાથે તાળી  
અજવાળા માં થી આવી  
ગઈ રાત અંધારી  
કોણ જાણે ક્યાં મુકાઈ ગઈ  
ખુશીઓ ના બોક્સ ની ચાવી  
જેના પર હક હતો અને  
જે હતી આપણી  
એ બધુ આપવું પડે છે કહી  
હવે થઈ એ તમારી  
ત્યારે સમજાય સાહેબ!  
કે દુનિયા મા શું લઈ આવ્યા તા?  
શું લઈ જવાના?  
હવે તો આ દુનિયા પણ સગી ના  
થઈ તમારી...

## WHAT IS IT THAT YOU HIDE?

Show me  
All that pain behind your smile  
Ah! Those tears that escape  
Your eyes  
Tell me there's a story  
Left behind  
Why do you shiver  
When you shake my hand?  
I hear silence  
When you speak  
A voice unheard  
Hiding from me  
Remember when I said  
I've seen it all?  
A little faith, dear  
I'll break your fall  
Let the well dry,  
It will rain again  
Dream of the skies  
I promise, you can fly again

BY DHARA JOSHI

## एक समय अनोखा

जान ये महान है जो न समझा वो बेजान है।  
उन्होंने सर पर कफ़न बांधा और जान बचाई।  
पर ये लाचारी कफ़न को चार गुना दाम में खरीद लायी।।  
दुआ में बेटा मांगा अग्नि संस्कार के लिए।  
जब मौत आई तब वार्ड बोय की बारात आई।।  
बीमारी नहीं थी इतनी जान लेवा उस साल।  
अब तो बिमारीयो की कतार आई।।  
लाल पीले रंग बहुत खुबसूरत लगते थे पहले।  
फंगस ने उस खुबसूरती पर आग लगाई।।  
किममत जान की थी पर सांस महंगी पड़ गई।  
जब ओक्सीजन की कमी जान पर भारी पड़ गई।।  
सोचा न था एक वक्त ऐसा भी आएगा ।  
जब इंसान ही इंसान को छु न पाएगा ॥  
दफ़तर भी सारे खाली पड़ गए ।  
बच्चों के बसतों में भी तो ताले लग गए ॥  
मन्दिर मस्जिद में लोगों की भीड़ कहाँ ।  
अस्पतालों में लोगों के तांते लग गए ॥  
झूठा सच्चा सब धोखा है कोरोना में ही मौका है , किस  
तरह न जाने इसका उपयोग हुआ ।  
कहीं जान बची तो किसी ने खेला पैसों का जुआ ॥  
साँस यु न जाने कई बार आती है सीने में  
उसका भी देखा रूप बहुत महंगा हुआ ॥  
लाखों का रसीद भी तो इस साल आया ।  
दवा क्या दी थी मरीज को यही तो बता न पाया ॥  
नव वर्ष में रोशन एक उमीद आई ।  
vaccine की राहत से धरती जगमगाई।।  
नया DRAMA फिर आया । चलो जरा बताओ आर्युवेद की  
अलोपेथी ने तुम्हारी जान बचाया॥  
कुछ कुकर्मों ने अपनी दुकान को जमाया ।  
दया और इंसानियत को कालाबजारी ने पचाया ॥  
दिन बीत जाएंगे बात हो जाएगी पुरानी ।  
लोग मर गए रह जाएगी उनकी कहानी ॥  
हम क्या कर सकते हैं लोग पुछते हैं ऐसा ।  
संकल्प सच्चाई का कर ये रोना कैसा ॥  
लापरवाही करोगे तो जान से जाओग ।  
फिर अपनी बेटी की डोली कैसे सजाओगे ॥  
थोड़ा डर भी जरूरी है जीवन की रचना में ।  
तोड़ा है ईश्वर ने घमंड सृष्टि की संरचना में॥  
जरूर ही काली रात का सुनहरा संवेरा होगा।  
सबर कर भाग्य में राहत का बसेरा होगा ॥

## June!!

June!!

June is my least favourite month.

The weather is hot and humid af!

After a hot may we wait for June. 1st

June **#schooladmissionbirthday!!**

This month reminds me of end of school holidays. June was the Monday of summer vacation. In starting of June we feel like cool okay it's june we think like summer is gone whether it gone or not but we feel like it's gone!! Mangoes are also gone to their homes.

Typically schools were started in 13- 15 june. And the first day of school, we know this is my old school but the 1<sup>st</sup> day is very special for all of us. After a long vacation when we came to school and all things feel like new. New standard, new school dress, new class teacher and the new admissions. Even if you are old but you have that excitement and happiness to know the new student but this online class has robbed that excitement.

And on first day of school I used to call my friend and ask if we wear school dress or colour dress? And used to she said, like colour dress and I tell her no no mam would punish us. So what are we suppose to do and she used to tell like yes mam will punish us and then we used to call our 3<sup>rd</sup> friend what we wear? School dress or colour dress? And let them confused to all in our group.

That excitement is ruined in this boring online classes. Then the 1<sup>st</sup> day of our school parents used to drop us to school. I miss those days.

now, we just say "**Those were the days**"

But, its 1<sup>st</sup> june! And the month of june is least favourite or most favourite of yours?

### વાંક

વાંક, શું વાંક હતો એ. દિકરી નો  
જન્મ શું જન્મ વાંક હતો એ દિકરીનો  
હું તો શોધવા ગઈ હતી મારી ઓળખાણ ,  
મને શું ખબર આ સપનું થઈ જશે ધૂળધાણ.  
સપનાઓ બહુ મોટા ન હતા મારાય,  
કદાચ એમને તો નડતા જ ન હતા જરાય.  
તો શું હક હતો એમને એ સપના તોડવાનો,  
હું તો જાણતી જ ન હતી એના તોડનારને.  
હજી શાહી સુકાની જ ન હતી મારા કલમ ની  
કાગળમાં,  
ત્યાં તો ચુકાદા થવા માંડ્યા મારા આ કચેરીમાં.  
કદાચ ભગવાન ને પણ થયો હશે પસ્તાવો,  
આ જાનવરોને કેમ માણસ બનાવ્યો.  
કદાચ એ હિંમતવાન બની ગયા વસ્ત્રો ખેંચીને,  
જે માણસ ન બની શક્યા સી નું સન્માન લૂંટીને...

### ઈશ્વર આવતો નથી....

હે ઈશ્વર તું ક્યાં છુપાઈ ગયો છે,  
હવે તો એ લાખોની ભીડ પણ નથી રહી કે જેમા તું છુપાઈ  
શકે.

તો પણ તું કેમ આવતો નથી....

તું તો આટલો પરાક્રમી ,વિશાળ કાયા, છતાં  
તારી સામે આ નાનકડી સૃષ્ટિ માં તું કેમ દેખાતો નથી....  
તારી સામે અમે આ કીડી જેટલા નાના બાળ કીડી ની  
માફક મારી રહ્યા છીએ

તો પણ તું કેમ આવતો નથી....

તારી આપેલી જિંદગીમાં અમે પાંજરામાં પુરેલા કેદી જેવા  
થઈ ગયા છીએ

તો પણ તું છોડાવવા કેમ આવતો નથી...

હવે તો સવાર થી સાંજ થવા આવી આ અંધારામાં ખૂબ  
ધૂંધળું દેખાઈ રહ્યું છે

તું પ્રકાશ પાથરવા કેમ આવતો નથી....

અસંખ્ય માણસોની જીવનની પુસ્તકો બંધ થઈ ગઈ છે  
અસંખ્ય કાગળ કોરા રહી ગયા છે,

તું તારી શાહી ભરીને આગળ લખવા કેમ આવતો  
નથી....

આ સંતાકૂકડીની રમત માં અંકો પણ પૂરા થઈ ગયા છે  
બસ તારો થપ્પો કરવાની વાટ છે,  
તું એ થપ્પો કરવા કેમ આવતો નથી....
